Change Description: Adding Manufacturing Locations to support customer demand

Reason for Change: In an effort to improve cost and lead-times to our customers we are increasing the number of Contract Manufacturers approved to build these boards.

The new devices: (C) & (I)

Sigmatron	Tijuana Mexico (Current)
Sanmina	Salt Lake City, UT USA
MSC Technology	Freiburg Germany
MSC Technology	Stutensee Germany

All will build per Avnet specifications and test to the same standard so customer should not be impacted by this change.

For any questions regarding this PCN you may contact your local Avnet sales representative.
